Thanks, just want to make sure we don't ahead of ourselves because HQ can be unpredictable.

I had sent two issues to Simma yesterday and she responded. I also copied her on this message. I said this morning just to poke at her and Kathy to get responses sooner than later.

Is OGC looking at this also? I would hate for us to take a stand on some of these issues and then OGC take another position from a policy perspective.

TO be clear for folks, Tom and I just discussed this and how to move forward. We want to get our
comments to the state sometime today. The one issue we need further HQ help on **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Since we do have a call with FDEP today. we would like to go over this list with them and then we can
refine any comments.

Tom plans to give Jeaneanne a heads up today.

But if anyone has any other issues.......

Given the speed at which this train is moving, I would like to send the message below to Fdep and
probably copy at least the Corps attys early this AM, to address some of the renaming issues we see in
the MOA. Here is my list of comments. Some is just wordsmithing. If you have any other comments, or
have any thoughts on the issues I identified, please get back to me first thing this AM. I will remove
the editorial comments included below.
